

# PUBLIC WORKS FINANCING

- *Timely*
  - *Pertinent*
  - *Accurate*
  - *Meticulously reported*
- ... Since 1988

Richard Fierce, Sr. VP, Fluor Corp.  
**“PWF is the #1, must-read publication in our industry.”**

## Subscribe Now:

- You'll get leads, project case studies, news updates, political trends, commentary, profiles of industry leaders.
- Unlimited password access to the most comprehensive, accurate and up-to-date P3 projects database in the industry.
- Discounts on PWF's P3 Networking Breakfast Club.
- You'll understand the new roles being played by design-build contractors, developers, equipment suppliers, bankers, engineers and others in major financial transactions.
- You'll track the realignment of risks and rewards on publicly sanctioned projects funded through innovative public-private financial structures that work as off-balance-sheet deals.

**Yes, I agree to pay annually—**

- \$697 (government)
- \$1,197 for a corporate site license (pdf to one office)
- \$4,297 for a company-wide enterprise license (pdf corporate-wide distribution)
