

PUBLIC WORKS FINANCING

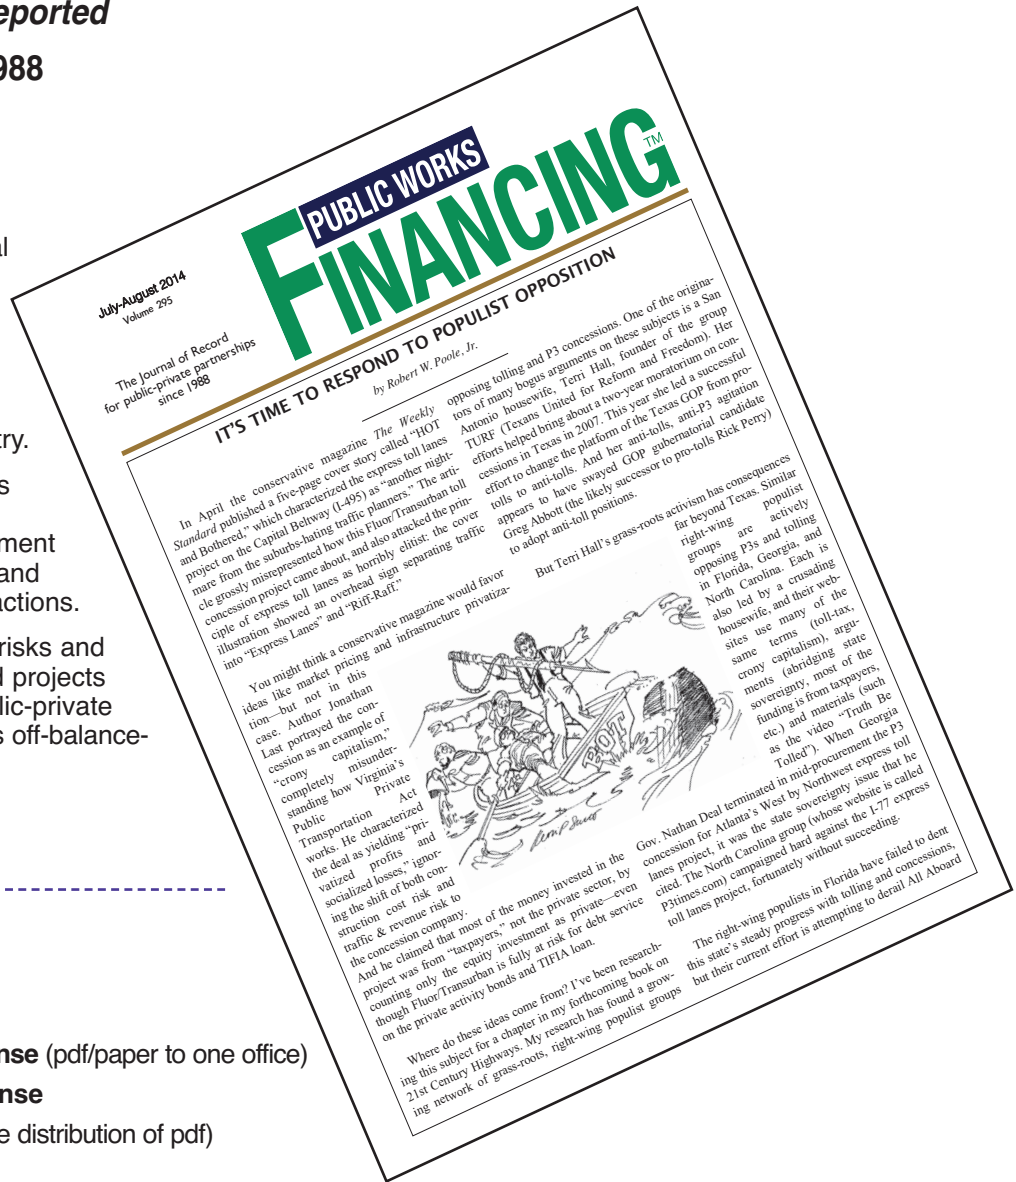

- *Timely*
- *Pertinent*
- *Accurate*
- *Meticulously reported*
- ... Since 1988

**PWF is "the journal of record
for our industry."**
David Seltzer, Principal, Mercator LLC

Subscribe Now:

- You'll get leads, project case studies, news analysis, political trends, commentary, profiles of industry leaders.
- Unlimited password access to the most comprehensive, accurate and up-to-date P3 projects database in the industry.
- You'll understand the new roles being played by design-build contractors, developers, equipment suppliers, bankers, engineers and others in major financial transactions.
- You'll track the realignment of risks and rewards on publicly sanctioned projects funded through innovative public-private financial structures that work as off-balance-sheet deals.

pwfinance.net
